1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a current customer Tega Cay Water Service.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

This is a substantial increase in water and waste water costs. It is absurd that a company can even ask for double digit increases in rates at any time, especially given all the history in Tega Cay and the water service that has been provided. I totally want to see improvements and that apparantly happened over the past year with a substantial investment that Tega Cay residents have been asking for a long time. Now you want us to pay for this again, where did the funds go from all the previous years??

I think it is time that this all stops and the Tega Cay residents stand up and say "NO" to TCWS and let Tega Cay City take care of our own city.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

If so, I will do so.
